

# COVERING CONDITIONS 2026

## Eidur vom Habichtswald

The general terms and conditions apply to all coverings through Hengstenhouderij van Nunen in 2026. The studfee is exclusive VAT. By registering the mare owner declares to have taken note of our breeding and payment conditions and agrees to these conditions.

### Frozen semen

Eidur is available through insemination with frozen semen.

### Covering period

01-04-2026 until 30-09-2026

### Bookingfee

The bookingfee is €300 excl VAT. The bookingfee is non refundable and must be booked before the mare is brought. When the mare is scanned pregnant the bookingfee will be withdrawn from the total studfee.

### Bacteriological test

We require a swab from the uterus. This test can be taken at home before arrival or at Hengstenhouderij van Nunen. If the mare is unclean on the swab it is possible to have her treated here.

### Upon arrival

- The mare is brought without shoes and with well-groomed hooves.
- The mare is correctly vaccinated and the passport is delivered to Hengstenhouderij van Nunen.
- If the mare has eczema, bring the eczema blanket.
- The mare is healthy and recently dewormed.

### Health

The mare owner guarantees that the mare/foal has not been in the vicinity of other horses with or symptoms of druse for the past 3 months.

The mare owner guarantees that the mare/foal or any other horse which the mare/foal have been in contact with in the past 6 weeks, have not shown signs of infectious diseases.

### During stay

The mare is covered, scanned and treated at the expense and risk of the mare owner.

Hengstenhouderij van Nunen reserves the right to call a veterinarian at our discretion at the owner's expense.

Mares with aggressive behavior or are difficult to catch are moved to a separate paddock at the owner's expense.

The mare-owner gives mandate for us to transport the horse if necessary.

### During stay

Mares with aggressive behavior or are difficult to catch are moved to a separate paddock at the owner's expense.

### Pregnancy ultrasound

Mares must be scanned for pregnancy between 15 and 21 days after ovulation and results must be reported to Hengstenhouderij van Nunen immediately after. The remaining amount for the covering and other expenses will be invoiced when the mare is +15 days pregnant. Payment period of 14 days.

### Non-pregnancy

If the mare resorbs before the 45th day of pregnancy (from date of last covering), van Nunen will issue a credit note of the 'by pregnancy' part of the studfee (bookingfee will not be refunded). Provided that a veterinary certificate of non-pregnancy is presented to van Nunen before the 45th day of pregnancy. If the certificate is not submitted in time, the issue of a credit note is not possible.

### Liability

Hengstenhouderij van Nunen does not accept any liability for damage, illness (including, but not limited to: Druse/CEM/Rhino and so on) and/or injury to people, animals, means of transport or otherwise. Horses are handled, covered & stabled at owner's risk. The mare-owner is responsible for all possible costs.

### Covering registration

The covering certificate will only be issued to the relevant studbook once all outstanding fees have been fully paid.

### Registering

By registering the mare, the mare owner confirms acceptance of the covering conditions and general conditions of Hengstenhouderij van Nunen.
